

Lighting LED | ALLIO

Compact LED lighting | 24V DC | 100 - 240V | 220 - 240V | 1050 lm | IP20

Article:	ALLIO
Brand:	icotek
Luminous flux:	1050 lumens
IP rating:	IP20, Protection class II (Protective insulation)
Temperature:	-20°C to 50°C
Tube material:	Polycarbonate
Housing Material:	Polycarbonate
Mounting options:	Screw mounting, Magnetic attachment, Clamp mount (patented)
Voltage:	24V DC, 220 - 240V

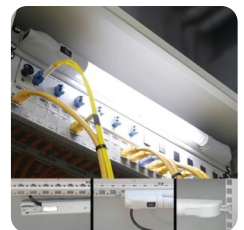

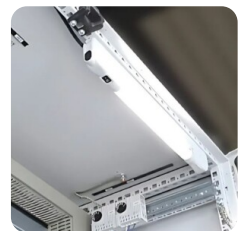

Description

Lighting LED / ALLIO has, with its compact design and 190° rotating tube, a perfect space-saving design for lighting cabinets. Lighting LED / ALLIO has with its innovative design also made it possible for you to easily retrofit into existing enclosures. With its High Power LED, the luminaire shines with 1050 lumens and offers a lifespan of 50,000 hours. The opal white polycarbonate tube provides a homogeneous, glare-free area light.

Advantages:

- Compact design with 190° rotating LED tube
- Various mounting types: with magnets, screw mounting or snap-in mounting in the 19 server rack
- Simple retrofitting in existing boxes
- Efficient LED lighting with 1050 lm
- Available with motion sensor
- Door operated switch is available as an option
- A door-operated switch is available as an option.
