

Cable gland 90° | KEL-FG

Split enclosure | for cables with connector | IP54

Article:	KEL-FG
Brand:	icotek
IP rating	IP54
UL Type:	UL Type 12
Flammability:	UL94-V0, self-extinguishing
Temperature:	-40°C to 140°C
Material:	Polyamide
Mounting options:	Screw mounting, Snap-in with KEL-SNAP
Characteristics:	Vibration-proof, silicone-free, anti-corrosive (V2A versions), halogen-free

Description

The KEL-FG cable gland is suitable for sealing, strain relief, and installing cables with connectors and wires at a 90° angle to machine walls, enclosures, or cabinets.

KEL-FG-A frame has exactly the right hole size for 24-pin standard industrial connectors. The KEL-FG-B frame has the exact hole size of 36x46mm.

KEL-FG-E version Especially suitable for flat contacts. The compact frame can be used perfectly in confined spaces.

- The shipment includes a flat rubber gasket

Advantages:

- 90° installation from wall
- Mechanical protection for cables directly at the entrance
- Warranties on pre-connected cables are maintained
- Strain relief according to EN 62444
- High stability, vibration resistant
