

Rivet tool | RT4 / RT6

For mounting fastening rivets | R4 / R6

Article:	RT4 / RT6
Brand:	IBOCO
Color:	RT4 Blue / RT6 Orange

Description

Discover the Rivet Tool / RT4-RT6 which is a tool you use to quickly install rivets from IBOCO. The rivet tool has an ergonomic plastic handle and an elongated aluminum body, all to make your work comfortable and smooth. You can also use it to easily mount high-mounted cable ducts. Put a rivet in the "neck" of the tool, place it in the pre-perforated mounting hole in the cable duct and press!

- For rivet tool RT4 (blue), use rivet R4 (blue).
- For rivet tool RT6 (orange) use rivet R6 (orange)
