

Lighting LED | Striplite

Energy-efficient LED lighting | 24 - 265V AC/DC | 120 - 230V AC/DC | 400 lm & 700 lm | IP20

Article:	Striplite
Brand:	Seifert
Voltage:	24 - 265V AC/DC 120 - 230V AC/DC
Luminous flux:	400 lumens 700 lumens
IP rating:	IP20
Temperature:	-30°C to 70°C
Material:	PC
Lid Color:	Frosted
Body Color:	Blue
Mounting options:	Screw and magnetic mount

Description

Lighting LED / Striplite is an energy-efficient LED lighting.

Includes: Built-in motion sensor with 5 min timer & mounting accessories

Dimension: 357.4 x 32 x 35.5 mm

Advantages:

- Wide voltage range for universal use
- With motion sensor
- 700 lm light output
- Extension cables available for connecting multiple fixtures
- Screw and magnet mount for mounting
