Article:	QVT-CLICK
Brand:	icotek
IP rating:	IP54
Flammability:	UL94-V0, self-extinguishing
Temperature:	30°C to 100°C
Material:	Polycarbonate
Mounting options:	Snap-in

Description

Cable gland / QVT-CLICK is a split frame that is circular to install cables with connectors or complete cable harnesses quickly and easily. QVT-CLICK can be mounted from the front of the enclosure wall without tools. Because of its very compact design, the QVT-CLICK series is particularly suitable for small machines, instruments and devices.

- QVT-CLICK 16, 20, 40|1 and 50 are snap-on or screw-on with a lock nut.
- The shipment includes a sealing ring.

Advantages:

- Simple assembly/disassembly from the front
- Space-saving design
- Cable entry with or without contact
- Warranties on pre-connected cables are maintained
- Remodeling, repairs and maintenance can be done much easier and faster
- Quick assembly by clicking into the cutout
- Increased packing density when using double or quadruple bushings
