

## Brush plate divided | KEL-BES-S

Divisible frame | brush | for cable entry

Article:	KEL-BES-S
Brand:	icotek
Material:	Polyamide
Brush material:	Polyamide, Halogen-free, Silicone-free
Color:	Black (RAL 9005)
Flammability:	UL94-V0, self-extinguishing
Temperature:	20°C to 90°C
Screw type mounting	10 mm

### Description

Brush Plate Split / KEL-BES-S for routing cables to server racks, control panels and electrical cabinets.

The brush plates can either be mounted via screws or via expanding rivets. Due to the split frame, KEL-BES-S can also be installed around the cables.

- KEL-BES-S frame exactly matches the dimensions of 10/16/24 pin standard industrial connectors

### Advantages:

- Quick and easy assembly (optional without screws)
- Retrofitting possible
- Versatile utilization
- Allows reduced airflow while filtering out dust, hair and larger particles
- Visuell screening
- Protects the cables against wear due to sharp edges when drilling holes
