

Cable duct IBOCO | T1

Wide slotted cable duct | RAL7030

Article:	T1
Brand:	IBOCO
Material:	Rigid PVC, Self-extinguishing
Temperature:	5°C to 65°C
Length:	2000mm
Color:	RAL7030
Approvals:	CE, UL, CSA
Other:	F = "cable holder" in the middle of the slot

Description

Cable channel / T1 – Wide-slotted cable duct for thick cables.

IBOCO T1 wide slotted cable duct is a powerful and practical solution for handling cables and wires with larger dimensions. The cable duct comes complete with a cover and is designed to provide robust and reliable cable management in, for example, control cabinets, electrical cabinets and control cabinets.

Advantages of IBOCO T1 wide-slotted cable duct:

- For thick cables and wires – The wide slot design makes it easy to organize and route larger cables neatly and securely.
- Strong construction – Extra thick bottom and sides ensure durability and long life, even in demanding environments.
- Professional cable management – A smart alternative for a more structured and easy-to-maintain installation.
- Suitable for multiple applications – Used advantageously in control cabinets, enclosures, electrical cabinets and control cabinets where order and accessibility are important.

We also offer cutting and adapting cable ducts to your specific needs – quickly and accurately. Don't hesitate to contact us for advice or a quote!
