

Cable gland | QVT

Split screw connection | for cables with connector | M16 - M50 | IP54

Article:	QVT
Brand:	icotek
IP rating:	IP54
Flammability:	UL94-V0, self-extinguishing
Temperature:	30°C to 100°C
Material:	Polycarbonate
Mounting options:	Fasten with locknut
Characteristics:	Halogen-free, Silicone-free

Description

QVT is a split cable gland that is circular to enable the installation of pre-terminated cables or complete wiring harnesses quickly and easily. Because it has an extremely compact design, it is particularly suitable for small machines, instruments and devices.

- A sealing ring and polyamide lock nuts are included in the shipment.

Advantages:

- Space-saving design
- Cable entry with or without contact
- Warranties on pre-connected cables are maintained
- Remodeling, repairs and maintenance can be done much easier and faster
- Suitable for metric hole punching
- Lock nut included
- Increased packing density when using double or quadruple bushings
