

Enclosure | E GRAN .A

Junction box with screwed-in panel Screw-on lid | IP66

Article:	AND GRAN. A
Brand:	E.t.a
Protection class:	IP66
Type:	NEMA/UL TYPE 1, 12, 4
Material	1.2 mm steel plate
Material mounting plate:	2.0 mm galvanized steel plate
Color:	RAL7035 textured finish
Painting:	ETA standard powder coating in epoxy polyester
Impact resistance:	IK10

Description

Enclosure E GRAN .A with screwed lid. An enclosure with a smooth screwed lid that is screwed with anti-slip screws. Possibility to order mounting plate and hinges separately.

E GRAN .A enclosure is carefully designed to provide a safe and efficient solution for electrical and electronic connections. Designed with precision and attention to detail, these enclosures ensure that your cables remain organized, secure and easily accessible.

- Protection level guaranteed by two-component polyurethane foam sealing

Advantages

- Durable construction: Both box and lid are made of high-quality sheet steel, which ensures robustness and a long service life.
- Secure cover: The cover is securely attached with fastening screws, ensuring that the contents remain protected from external factors.
- Optional hinges: The box is designed with holes to accommodate optional hinges, providing flexibility in access and maintenance.
