Article:	80189 / 80190
Brand:	icotek
Cape area:	35 x 7.5 35 x 15 15 x 5.5 10x3 mm

Description

Our DIN profile cutter cuts various profiles precisely with a clean, burr-free cut. The length stop with guide device ensures that nothing slips during cutting and that the cut is always 90° at an exact angle. Thanks to the optimal power transmission of the cutting device, only little force is required for cutting.

- Not suitable for stainless steel rails
