

Velcro holder | KBH

For Velcro cable ties & Velcro fasteners

Article:	KBH
Brand:	icotek
Material:	Polyamide, silicone-free, halogen-free

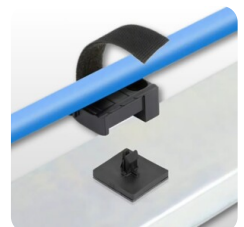

Description

Velcro holder / KBH can be used together with "hook and loop" Cable tie KLKB-KLB and hook and loop tape. The wide variety of these holders offers multiple mounting options.

They act as holders for velcro straps, which can be fitted quickly and easily in a variety of ways. These holders can be used in combination with Velcro straps KLKB and Velcro straps KLB.

KBH can be installed very quickly: KBH-R with 90° twist lock on profiles from Bosch Rexroth, MiniTec, Artikel and Rittal and KBH-S with universal screw mounting.

- Assembly, disassembly, retrofitting and service work can be done easily at any time.
- Secure support
- Versatile utilization
- Quick and easy assembly
