

EMC Shielding Clamp | PCB/SKL

For circuit board assembly

Article:	PCB/SKL
Brand:	icotek
Material Screen clamp:	Spring steel, galvanized
Material Mounting foot:	Brass, tinned
Mounting options:	Soldering

Description

EMC Shield Clamp | PCB/SKL is used wherever the shield of individual cables must be connected to the ground potential. They enable secure and easy cable shielding.

PCB/SKL consists of the EMC shield clip SKL itself with a soldering connection attached underneath, which allows for mounting on circuit boards. Various versions can be chosen from.

Advantages

- The spring design requires no adjustments and will permanently maintain contact to the cable shield
- Large contact area
