

EMC Shield Clamp | PCB / SKL

For circuit board assembly

Article:	PCB / SKL
Brand:	icotek
Material Screen clamp:	Spring steel, galvanized
Material Mounting foot:	Brass, tinned
Mounting options:	Soldering

Description

EMC Shield Clamp / PCB|SKL The PCB|SKL shield clamps are used wherever the shield of individual wires must be connected to the ground potential. They enable safe and simple cable shielding.

The shield clamp PCB|SKL consists of the EMC shield clamp SKL itself with a soldering connection that is attached below it, which enables assembly on lead plates. You can choose between different versions.

Advantages of EMC Shield Clamp / PCB|SKL:

- The spring design requires no adjustments and will permanently maintain contact to the cable shield
- Large contact area
