

Lighting LED | LLX

Powerful LED lighting | 230V | 1200 lm

Article:	LLX
Brand:	Rubsamen & Herr
Voltage:	230V
Luminous flux:	1200 lumens
Power input:	13W
Connection:	GST contact
Weight:	0.90 kg
Mounting options:	Magnetic Screw

Description

Lighting LED / LLX is an energy-efficient LED lighting with motion sensor of 1200 lm for control cabinets, electrical cabinets or enclosures.

Measure: (L x W x H) 395mm x 118mm x 53mm

- Brightness of 1200 lm
- With motion detector
- Magnet / Screw
- Integrated optics for optimal lighting
- Suitable for enclosures from 500 mm wide
- With 230 V socket and switch
- Pluggable supply line and connection cable
- Long service life and low power consumption
