

Air/Water Heat Exchanger | BLU

2.25kW - 15kW | 115V & 230V | IP55

Article:	Blue
Brand:	Rubsamen & Herr
Protection class:	IP55
Voltage:	115V & 230V
Effect:	2250W - 15000W
Color:	RAL7032

Description

Heat exchanger air / water, cools the inner part of the cabinet with the help of an inner water-borne cooling package.

Only internal fan which means no external maintenance of filters etc.

- Available external cooling water is required.
