

## Spiral hose | SP/SPZ

Cable coil | Ø8 - 50mm | Halogen-free

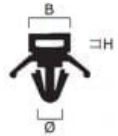

Article:	Spiral conduit / SP SPZ
Brand:	Partex
Material PVC:	Homogeneously colored PVC in cadmium-free quality according to Partex recipe, Self-extinguishing, UL94-V1
Material Halogen-free:	Bayblend FR 3030, Halogen-free according to DIN/VDE 0472, section 81, Flame retardant, UL94-V0
Temperature PVC:	-20°C -to +60°C
Temperature Halogen-free:	-30°C to +105°C
Length:	1m
Color:	Grey / Green

### Description

Flexible Spiral hose | SP/SPZ for cable and wire routing is a tubular, flexible spiral hose. Excellent protection for wire bundles, cables, pipes, hoses, etc. Can be advantageously installed afterwards around wiring. Allows smooth connection between cabinets and door-mounted units. Also available in halogen-free version. Reduces cable and wire breakage and thus maintenance and downtime costs.

- Snap-in bracket that is threaded on before mounting holds the spiral conduit firmly in place.
